AN OLD SORE

Will sour the sweetest disposition and transform the most even tempered, lovable nature into a cross-grained and irritable individual.

If impatience or fault-finding are ever excusable it is when the body is tortured by an eating and painful sore. It is truly discouraging to find after months of diligent and faithful use of external remedies that the place remains as defiant, angry and offensive as ever.

The blood must be purified before the sore will fill up with healthy flesh and the skin regains its natural color. It is through the circulation that the acid, corroding fluids are carried to the sore or ulcer and kept irritated and inflamed. S. S. S. will purify and invigorate the stagnant blood when all sediment or other harmful materials are washed out, fresh rich blood is carried to the diseased parts, new tissues form, and the decaying flesh begins to have a healthy and natural look; the discharge ceases and the sore heals.

Several years ago, my wife had a severe sore leg and was treated by the best physicians but received no benefit. Our druggist advised her to try S. S. S., which she did. Fourteen bottles cured her and she has been well ever since.

BANNER SALVE the most healing salve in the world.

CRYING! What for? If you ask her she will tell you she doesn't know. She just feels nervous, that's all. A man is apt to have very little sympathy with this condition in his wife. He can't see any earthly reason why she should cry. She has plenty to eat, plenty to wear, and he does everything he can, he thinks, to make her happy; and in spite of that, she sits down and cries softly to herself, apparently without any cause or reason. But there is a cause, and that cause is some disorder or disease of the delicate womanly organism. Unhealthy drains have taken away the vital force. Inflammation is fretting the nerves of the whole body. If women did but understand the intimate relation of the general health to the local health of the delicate womanly organs, they would realize that the quick way to establish the general health is to cure the local disorders. Dr. Pierce's Favorite Prescription dries the drains that enfeeble women, heals inflammation and ulceration and cures female weakness. It is a medicine that can absolutely be relied upon to make weak women strong and sick women well. It contains no alcohol, and is entirely free from opium, cocaine and all other narcotics.

Women suffering from disease in chronic form are invited to consult Dr. Pierce, by letter, free of charge. Dr. Pierce, assisted by his staff of nearly a score of physicians, has in a little over thirty years treated and cured more than half a million sick and ailing women. All correspondence is strictly private and sacredly confidential. Address Dr. R. V. Pierce, 665 Main Street, Buffalo, N. Y.

COULD SOBERLY WALK. "For the sake of poor, suffering women, I feel it my duty to inform you of the great benefit your medicine has given me," writes Mrs. Callie Bowles, of Watts, Texas, Co., N. C. "I was in a miserable condition when I wrote to you. I had uterine disease so bad I could scarcely walk and suffered such dreadful misery I hoped to be relieved by death. You wrote to me to take your 'Favorite Prescription' and I have taken eleven bottles of it, and two of your Pleasant Pellets. I am entirely well and feel like a new woman. I feel thankful to God and to Doctor Pierce for the blessings I now enjoy. I have a fine, big boy, two months old and never got along as well in my life. I can't praise your medicines enough."

NO USE FOR DOCTORS. "About five years ago I had very poor health," writes Mrs. S. E. Jackson, of Holden, Johnson Co., Missouri. "After doctoring four years with our town doctors they gave my case up; said they had done all they could. I had been confined to my bed half my time; the other half could hardly drag around. I had such pains in my back and abdomen I could not stand on my feet for more than a few minutes. My feet were cold or burning, and my periods came too often. The doctors said it was change of life, so, as I had heard of Dr. Pierce's medicine, my husband got me a bottle of 'Favorite Prescription.' I took it and it helped me in some ways, so I wrote to you and followed your advice. I commenced 'Favorite Prescription,' 'Golden Medical Discovery' and the 'Pleasant Pellets,' as I was so constipated all the time and pills did me no good so that I would have to go to bed. To the great surprise of everybody I got well, and when I met my friends they would say, 'I never thought you would be here now.' But I can say it was your medicine, which no doctor is the best in the world. Have had no use for doctors since I tried your medicine."

Dr. Pierce's Pleasant Pellets are an effective medicine for the bowels and liver. They do not react upon the system.
